Blocks, Base 10 Blocks, Colored Tiles, Snap Cubes,  
Calculators, Math Journals, Buttons

The image shows five circular cookies, each with a character illustration and a name. The cookies are arranged in two rows: two in the top row and three in the bottom row. The characters are Pete the Cat (a blue cat), Froggy (a green frog), Mo Willems (a blue bird), and Arthur (a brown bear wearing glasses). The names are written in a white, sans-serif font above the character illustrations. The cookies have a dark brown base color with a white dashed border.
